# NUMO CARE

Your Animal's Health is Our Concern

### Bronchial Support for Canines

Numo Care is a natural formula that helps refresh the delicate lining of the bronchial passage and lungs by synergistically supporting the body's normal detoxifying systems from:

- ❖ Smoky environment
- ❖ Built up toxins
- ❖ Environmental pollens
- ❖ Seasonal contaminants
- ❖ Occasional allergens

## Respiratory Functions

All living things need oxygen to burn nutrients, to release the energy required to grow, reproduce, and maintain life. However, the toxic air that we breath puts our bronchioles and lungs under additional stress. By giving Numo Care to your pet on a regular basis you can help support your dog's normal daily respiratory functions.

## Helpful Tips

Here is some helpful tips for your dog.

- ❖ Exercise. Simple yet challenging exercises can improve lung functions.
- ❖ Weight. Excess weight puts more stress on the lungs and compresses all respiratory muscles, making them work harder and less efficiently. Make sure your pet's diet is nutritionally sound. We recommend a species appropriate diet.
- ❖ Hydration. giving your pet plenty of clean (free from chemicals) water every day helps maintain a healthy weight and gives a thin consistency to the mucus lining in the airways and lungs.
- ❖ Vibactra Plus. For additional support add Vibactra Plus with Numo Care.

## NUMO CARE

Numo Care is a natural blend of herbs that helps support normal functions of the respiratory tract.

Numo Care is made from the highest quality Non-GMO herbs available. The herbs we use are certified organic, wildcrafted, and kosher ingredients. The herbs in Numo Care are used and pressed only one time to ensure the best potency for your pet.

Numo Care is available in both 1 oz and 4 oz bottles. Each bottle comes with instructions and a 1 ml/cc syringe.

## DIRECTIONS FOR USE

For use in Canines, Rabbits & Guinea Pigs only. (For cats, use Numo Care C.)

WEIGHT	DROPS	ml/cc	# OF SERVINGS PER 1 oz BOTTLE
Under 3 lbs	2	0.06	493
3-10 lbs	5	0.15	197
11-25 lbs	10	0.30	99
26-80 lbs	13	0.40	74
