ADIZONE
Joint & Muscle Support
for Canines. For felines use
Adizone C

CATIZOL
Occasional Feline
Discomfort Associated with
Normal Activities

DermaNERV
Nerve Support

**HAWTHORN &
DANDELION**
Cardiovascular Health

**KIDNEY
REJUVENATOR**
Helps Support Normal
Kidney Functions

KOCHI FREE
Supports Normal Bowel
Movements

LIFE CELL SUPPORT
Liver Health

NUMO CARE
Bronchial Support. For
felines use Numo Care C

PAXXIN
Digestive & Immune

CARTICIL *plus*

Your Animal's Health is Our Concern

All-Natural

Gut & Joint Health

Carticil Plus is a natural blend of ingredients that may help canines and felines maintain optimal health to keep them in peak condition. It helps with:

- ❖ Circulation
- ❖ Digestion
- ❖ Joint Flexibility
- ❖ Overall body health

Gut & Joint Health

The Royal Society of Medicine of Great Britain reported that 90% of chronic diseases are caused from an unhealthy intestinal system primarily the colon. If we wish our pets to maintain a healthy body, it starts with a healthy gut. Carticil Plus has many ingredients to support a healthy gut such as: bromelain, cinnamon bark, whey, apple pectin, ginger root, and slippery elm bark. To keep a healthy colon, which promotes overall health, a balanced gut is necessary.

With age, it is often the daily wear and tear of the joints that begins to destroy cartilage. What happens is that the aging process reduces cell stability and membrane strength, leading to free-radical production and injury susceptibility. Most of the pain is due to swelling in the joints. Carticil Plus has ingredients to support healthy joints such as: bromelain (good for gut health as well), whey, and glucosamine.

Cats and dogs that would benefit most are: rescued pets, seven years old and older, and pets that need additional TLC.

HELPFUL TIPS

- ❖ First, make sure your pet's diet is nutritionally sound. We recommend a species appropriate diet.
- ❖ Give your pet plenty of clean water (free of chemicals) everyday.
- ❖ Exercise. Cats and dogs needs plenty of movement everyday.
- ❖ Be proactive. Give Carticil Plus as part of their regular supplements.

CARTICIL PLUS

Carticil Plus is a natural blend of sixteen different ingredients that supports the health of joints, bones, digestive system, circulatory, memory, immunity and more.

Carticil Plus is made from the highest quality Non-GMO herbs available. The ingredients we use are certified organic, wildcrafted, and kosher ingredients.

Carticil Plus comes in a powder form and is available in a 1 oz and 4 oz container. Each container comes with instructions and a convenient scoop.
