KIDNEY REJUVENATOR

Your Animal's Health is Our Concern

Helps Support Normal Kidney Functions

Kidney Rejuvenator helps support the normal function and health of the kidneys.

Kidney Rejuvenator is used for canines, felines, birds, rabbits and guinea pigs. This natural blend of herbs may help with:

- ❖ Normal Kidney Functions
- ❖ Normal Urine pH
- ❖ Normal Purification Process of Foreign Contaminants

The Kidneys

Kidneys are sophisticated filtering devices. They must remove waste products and excess materials, while leaving enough beneficial materials to keep the animal healthy. Kidney Rejuvenator is designed to help support your pet's normal daily functions of the kidneys.

Helpful Tips

Here are some helpful tips you can do to keep your pet's kidneys working at top notch.

- ❖ Keep your pet hydrated with filtered water. Reverse osmosis is best.
- ❖ Vitamin B-complex & Vitamin C to keep your pet feeling healthy and strong.
- ❖ Omega-3 fatty acids from fish like salmon, sardines, mackerel, black cod, herring and anchovies.
- ❖ Acidophilus as a probiotic to help support the digestive system and promote intestinal health.
- ❖ Stay away from pet foods that incorporates cheap fillers such as corn, wheat, soy, or animal by-products.
- ❖ Exercise your pet, but don't over do it.
- ❖ For additional support we recommend Amber Technology products: Life Cell Support & UTR with Kidney Rejuvenator.

KIDNEY REJUVENATOR

Kidney Rejuvenator is a natural blend of herbs that works synergistically to support normal functions and health of the kidneys.

Kidney Rejuvenator is made from the highest quality Non-GMO herbs available. The herbs we use are certified organic, wildcrafted, and kosher ingredients. The herbs in Kidney Rejuvenator are used and pressed only one time to ensure the best potency for your pet.

Kidney Rejuvenator is available in both 1 oz or 4 oz bottles. Each bottle comes with instructions and a 1 ml/cc syringe.

DIRECTIONS FOR USE

For use in Canines, Felines, Birds, Rabbits & Guinea Pigs only.
