KOCHI FREE

Your Animal's Health is Our Concern

Organic & Wildcrafted

Supports Normal Bowel Movements

When animals experience intestinal stress it is an unpleasant experience for both pets and owners. These unpleasant mishaps can occur anytime and anywhere. Kochi Free helps:

- ❖ Maintain normal gastrointestinal tract
- ❖ Maintain healthy normal stools
- ❖ Normal purification of microscopic foreign substances

Healthy Normal Stools

This is definitely not a favorable subject. However, did you know that bowel movements can provide important clues about your pet's health? That's right! By monitoring your pet's stools you are monitoring their health. A normal stool is usually moist, firm, and compact with a light smell. Kochi Free is designed to help the body's normal purification process of eliminating microscopic foreign substances and maintaining a healthy normal stool.

Helpful Tips

Here are some helpful tips you can do to keep stools normal.

- ❖ **Diet.** Most important is feeding a good species appropriate diet.
- ❖ **Water.** Make sure they are getting plenty of filtered water.
- ❖ **Exercise.** Animals need to move and be active to stay healthy.
- ❖ **Kochi Free.** To help support daily immunity and healthy, normal stools. Can be given 2-4x daily for 10 days for normal stool maintenance.
- ❖ **Paxxin.** For additional support in Canines, Birds, Rabbits & Guinea Pigs.
- ❖ **Kitty-DT.** For additional support in Felines.

KOCHI FREE

Kochi Free is a natural blend of herbs formulated to support daily immunity and healthy, normal stools.

Kochi Free is made from the highest quality Non-GMO herbs available. The herbs we use are certified organic, wildcrafted, and kosher ingredients. The herbs in Kochi Free are used and pressed only one time to ensure the best potency for your pet.

Kochi Free is available in both 1 oz or 4 oz bottles. Each bottle comes with instructions and a 1 ml/cc syringe.

DIRECTIONS FOR USE

For use in Canines, Felines, Birds, Rabbits & Guinea Pigs only.
