# TUMOXIL

Your Animal's Health is Our Concern

**Skin Detox for Canines**

Tumoxil is a powerful blend of herbs that:

- ❖ Works synergistically with the normal functions of the body.
- ❖ Helps support the body's natural ability to reduce toxic, fatty build-up under the skin.

## Your Canine's Skin

Did you know that the skin is the largest organ of the body? The skin helps eliminate toxins just like the liver and kidneys. Not only does the skin eliminate toxins it also absorbs anything that comes in contact with it.

As time goes by and as dogs get older some will develop lumps under the skin. This is very common especially in senior dogs. Tumoxil is formulated to help assist the body to help detox the skin keeping it healthy and thriving the way it was designed.

## Helpful Tips

Here are some helpful tips you can do to keep your canine's skin healthy and thriving:

- ❖ **Diet.** A foundation for good health is a species appropriate diet. The food dogs eat will build up or tear down their health.
- ❖ **Water.** Leave plenty of filtered water. (do not use water that has chlorine or fluoride.)
- ❖ **Exercise.** Your dog needs plenty of movement everyday.
- ❖ **Proactive.** Give Tumoxil once daily for 30 days every year.

## TUMOXIL

Tumoxil is a natural blend of herbs that may help support the bodily functions and aid in purifying unwanted toxins that appear under the skin.

Tumoxil is made from the highest quality Non-GMO herbs available. The herbs we use are certified organic, wildcrafted, and kosher ingredients. The herbs in Tumoxil are used and pressed only one time to ensure the best potency for your pet.

Tumoxil is available in both 1 oz or 4 oz bottles. Each bottle comes with instructions and a 1 ml/cc syringe.
