# UTR

Your Animal's Health is Our Concern

**Organic & Wildcrafted**

### Urinary Tract Support

UTR is a natural blend of herbs that helps support the normal functions of the urinary tract system. UTR may help:

- ❖ Eliminate toxins and maintain normal mucus lining of the bladder & urethra.
- ❖ Maintain normal pH balance in the urinary tract.

This unique blend of herbs in this product helps to keep your pet at peak performance.

## Urinary Tract System

The urinary tract system contains: the kidneys, ureters, bladder, and urethra. In most mammals, waste is passed from the tissue into the bloodstream. The blood carries these wastes into the kidneys and from there are removed from the blood as urine. The urine then passes through the tubes called ureters, into the bladder and out of the body through another tube called the urethra.

Sometimes problems arise when an animal's pH balance becomes more alkaline causing occasional discomfort within the urinary tract system leading to other health challenges if no action is taken.

## Helpful Tips

There are some things you can do to keep your pet's urinary tract system healthy.

- ❖ **Diet.** Feed your pet a species appropriate diet.
- ❖ **Fluids.** Make sure your pet drinks plenty of filtered water.
- ❖ **UTR.** UTR contains amazing herbs that are formulated specifically for the bladder.
- ❖ **Kidney Rejuvenator.** Kidney Rejuvenator with UTR helps support the urinary tract system as a whole.

## UTR

UTR helps the body to support the normal daily functions of the urinary tract system.

UTR is made from the highest quality Non-GMO herbs available. The herbs we use are certified organic, wildcrafted, and kosher ingredients. The herbs in UTR are used and pressed only one time to ensure the best potency for your pet.

UTR is available in both 1 oz and 4 oz bottles. Each bottle comes with instructions and a 1 ml/cc syringe.

## DIRECTION FOR USE

For use in Canines, Felines, Birds, Rabbits & Guinea Pigs only.

| WEIGHT      | DROPS | ml/cc | # OF SERVINGS PER 1 oz BOTTLE |
|-------------|-------|-------|-------------------------------|
| Under 3 lbs | 2     | 0.06  | 493                           |
| 3-10 lbs    | 5     | 0.15  | 197                           |
| 11-25 lbs   | 10    | 0.30  | 99                            |
| 26-80 lbs   | 13    | 0.40  | 74                            |
| 81-150 lbs  | 15    | 0.45  | 66                            |
| 151-250 lbs | 20    | 0.60  | 49                            |
